**PROTECTING THOSE WHO PROTECT OUR BORDERS**

April 27, 2021

Thanks to the bipartisan efforts of Senator John Cornyn (TX), Senator Kyrsten Sinema (AZ), and Representatives Henry Cuellar (TX) and Tony Gonzalez (TX), the National Border Patrol Council proudly endorses their Bipartisan Border Solutions Act because it will target resources to those of us directly responding to the increase of migrants, so that we can better do our jobs and keep American border communities safe.

We appreciate their strong engagement with the border region and their firsthand knowledge of the current immigration crisis, and this bill will give us the resources to tackle today's influx head-on. We stand ready to support them however we can to pass this legislation and address the crisis at our border.

Again, we thank Senators Cornyn and Sinema, and Representatives Cuellar and Gonzalez, for their commitment to border security.

Respectfully submitted,

Brandon Judd
