RE: Support for the Bipartisan Border Solutions Act of 2021

Dear Senator Cornyn,

The RGV Partnership applauds the bipartisan efforts from lawmakers in both chambers to advance the Bipartisan Border Solutions Act of 2021.

The RGV Partnership supports smart, effective border enforcement and greater investments in personnel, technology and infrastructure at the ports of entry and a well-functioning immigration court system.

Thank you for your leadership in working with U.S. Senator Kyrsten Sinema (D-AZ), and U.S. Representatives Henry Cuellar (D-TX) and Tony Gonzales (R-TX), for working on a comprehensive immigration reform to address our humanitarian crisis, and to restore the economic vibrancy of the United States-Mexico border.

Sincerely,

Sergio Contreras
