

9/11 VICTIMS AND FAMILY MEMBERS IN SUPPORT OF THE EJVTA

September 7, 2023

Dear Members of the U.S. Senate and Members of the U.S. House of Representatives:

We are spouses, children, parents, siblings, and personal representatives of those who were murdered, and individuals who sustained physical injuries, in the 9/11 terrorist attacks at the World Trade Center in New York, the Pentagon in Virginia, and in Shanksville, Pennsylvania.

We urge you to promptly vote to enact the *Ensuring Justice for Victims of Terrorism Act* (EJVTA), S.2082, H.R.4951, into law to fulfill Congress' promise to the American People in enacting the Antiterrorism Act in 1992, and to the American People and the 9/11 Families and survivors in enacting the Justice Against Sponsors of Terrorism Act (JASTA) in 2016, that those who provide material support for terrorists can be held accountable in the courts of the United States.

Congress must act swiftly to ensure that the courts faithfully apply the Antiterrorism Act and JASTA as originally intended and that the 9/11 Families and survivors are finally afforded the opportunity to attain the justice we deserve.

Respectfully,
